Why ASG LLC ?

Proprietary Database

ASG LLC has developed a proprietary database that has over 4,750,000 active and passive Information Technology candidates across the USA. (Updated Daily)

Proprietary Software

ASG LLC has also developed proprietary search software that allows us to access thousands of candidates in seconds, tailored to our specific search criteria.

Refined Processes

Our methodologies combined with our database and search software allows us to quickly target qualified candidates. We are able to reach out to over 7000 candidates an hour on multiple job requirements. We also have a network of over 1550 recruiters covering all states across the USA.
